

SFISS00022 – Fish Processor Induction Skill Set

Course Overview

APITI's **Fish Processor Induction Skill Set** program has been specifically designed to allow participants the ability to gain real tested knowledge and skills that align with the fishery industry guidelines.

Participants will be trained in the following areas:

- How to correctly clean fish
- How to adhere to safety protocols
- How to correctly and safely work with knives and other equipment
- How to Apply basic seafood handling and safety practices.

Entry Requirements

Participants are required to have a minimum year 10 comprehension level, supply their USI (Unique Student Identifier) number, and have access to the internet and a computer (with Webcam) if completing the **blended program**.

Delivery Mode & Duration

This course has two main delivery modes, these are:

- ✓ **Full face-to-face program** – Both the theory and practical are completed over 2 weeks - 10 days (80hrs).
- ✓ **Blended program** – 5 days face-to-face learning, plus 5 days self-paced online learning. **This is suitable for people already working within the industry.**

Course Assessment

All of APITI's **programs** have been designed to maximise your ability to retain information, this is done by rope learning both within the formative and summative assessment sections. There are two assessment methods used, these are:

Questioning – Short multiple choice, open-ended written and verbal questions.

Structured Activities – Scenarios that are Role played to demonstrate you have the practical skills to perform these in a live environment.

Course Investment (Fees)

The program's investment is: **\$1,900.00**

APITI has multiple payment options, these are:

- **Online or Face to face payment**
- **Paid against an issued Invoice**

Course Completion & Pathway

On successful completion of this program, you will be issued with a Nationally recognised Statement of Attainment.

This Statement of Attainment can then be used for Credit Transfer into other full qualification programs i.e. Certificate I, II or III qualifications.

Course Intakes

APITI has a rolling intake for all of its **programs**, please check our online calendar for a location, date and time that suits you!
